File 131/1/13

As agreed at the final meeting of the Sea Systems Working Party, working on the 2nd of March, I enclose a draft of the 'Security Study Report on Underwater Storage'. A 'Security Study for Under Storage of Munitions is also being considered', a draft copy of this Report will be circulated in due course.

DCSM / CNA / DMS(N) are requested to supply comments on meeting by 1st Oct 1981.
